

**Medical Library Group of Southern California and Arizona (MLGSCA)
Winter 2003 CE Opportunity**

Rapid Webpage Editing and Site-wide Link Checking

Contact hours (4.0 CEUs)

April 3, 2003, 12:30 p.m. - 5:00 p.m.

Lamson College

1126 N. Scottsdale Road, Suite 17

Tempe, AZ 85281-1700

<http://www.lamsoncollege.com/location.htm>

Featured Instructor: Chris Ewing, Information Specialist, USC Norris Medical Library

This 4-hour class is designed to give those managing Web sites advanced skills to accelerate routine page and link maintenance with hands-on instruction on site management, FTP and page editing options using two popular HTML editing programs (Dreamweaver and FrontPage). The goal of the course is to give health sciences librarians the skills necessary to efficiently manage a Web site.

Schedule:

12:30 p.m. - 1:00 p.m. -----Registration
1:00 p.m. - 2:45 p.m.-----Introduction/Part I
